## 9X Comparator and Reticle Set

- Clear Base Admits Light
- High Power, Wide Field
- Reticle Included

### Common Specifications

#### General

|                 |                          |
|-----------------|--------------------------|
| Type of Optics: | Kellner-type / AR coated |
|-----------------|--------------------------|

#### Physical & Mechanical Properties

|                         |      |
|-------------------------|------|
| Field of View (inches): | 0.75 |
|-------------------------|------|

|                                     |      |
|-------------------------------------|------|
| Diameter of Included Lens (inches): | 0.68 |
|-------------------------------------|------|

|                                      |       |
|--------------------------------------|-------|
| Diameter of Compatible Reticle (mm): | 27.00 |
|--------------------------------------|-------|

|                  |      |
|------------------|------|
| Height (inches): | 1.25 |
|------------------|------|

|             |      |
|-------------|------|
| Weight (g): | 40.8 |
|-------------|------|

#### Optical Properties

|                            |      |
|----------------------------|------|
| Working Distance (inches): | 0.75 |
|----------------------------|------|
