CaliBall™ - Interferometer Calibration Device

- Calibrate Transmission Spheres
- 1.3nm RMS Finish
- Includes Kinematic Mount and Certificate of Compliance

Common Specifications

General

Note:

Surface Finish: 1.3nm RMS

Physical & Mechanical Properties

Diameter (mm): 25.40

Optical Properties

Reflection (%): 11.00

Substrate: Silicone Nitride

Surface Accuracy, P-V (μm): ≤0.125

Technical Information

Products

Title	Stock Number	Price	Buy
CaliBall Interferometer Calibration Device	#59-495	₹1,06,140	2 In Stock
CaliBall II Interferometer Calibration Device with Zygo 4" Bayonet Mount	#19-418	₹1,28,250	1 In Stock
